Welcome to Infinity BEAUTY LOUNGE

We are the beauty experts

With over 23 years in the industry and vast experience in a range of treatments, this knowledge and expertise has been shared for 19 years in colleges of further education, teaching others to become fully qualified Beauty Therapists.

We work with some of the best brands in the industry.

Behind the little window lies a haven of relaxation. We want you to enjoy your “me” time and recommend you arrive 5 minutes before your appointment so you can begin to relax.

We also politely ask that you turn your mobile phone to silent so you can fully enjoy your experience and to ensure that others are not disturbed whilst having theirs.

All of our treatments include a full consultation and you will be required to complete a consultation card to ensure suitability for treatment. The information you provide is treated with the strictest of confidence and will not be shared by any third party and will only be used by Infinity Beauty Lounge to contact you with offers on treatments and to tailor treatments to your individual needs in order to provide you with the best possible outcome.

There are some medical conditions or medication which can restrict or prevent certain treatments from being carried out. In these instances we will endeavour to recommend an alternative but there may be times when we will have to request a GP’s letter to confirm suitability for treatment.

Please do not be disappointed, this is purely in the interest of our clients and their well being and to avoid possible adverse reactions to treatments.

Some treatments require a patch test 24-48 hours prior to your appointment, this is an insurance requirement and we cannot proceed until you have received one.

Under 16’s are welcome here and this is a unisex salon. All we ask is that a parent/guardian provides written consent and that they are present for the duration of the treatment.

CANCELLATIONS

We understand that there are times when you may need to cancel or change your appointment. If possible, we request that you give 24 hours notice so that we can offer your appointment to other clients, otherwise we may ask for a 50% deposit prior to any future appointments you make.

LOYALTY CARD SCHEME AND GIFT VOUCHERS

We offer a loyalty card scheme to all of our customers and for every £50 you spend on treatments you will receive one stamp on your card. Once the card is filled you will receive 20% off your next appointment. Recommend a new client to us and you will receive 10% off your next treatment. Gift vouchers are available to purchase for any amount or for our package treatments for you to treat that someone special.
